Brand You

— A workshop on
making impressions,
connections and
change.

You, and everything about
you speaks to the people you meet.
What does it really say?

— 24th November
5 - 8pm — Leopold Hotel
Leopold Square, Sheffield

This new workshop explores you, your own 'brand' and how it can inspire both confidence and the connections that matter most.

Delivered by three women who have made connecting their business, you'll leave with a fresh, deeper understanding of what you can offer to the people you want to connect to, and the confidence to make that happen. [Marina Larios](#), Director of Inova, talks the power of networking; [Auriel Majumdar](#), Gestalt consultant coach discusses ways to tell your own story; and [Liz Clothier](#), stylist, mentor and coach talks about self-presentation.

This exclusive invite offers you a place on our pilot workshop for just £75 / £50 concessions in return for your objective critique so we can shape the future of the event. We'd love you to come along, to share and discover [Brand You!](#)

Light refreshments will be provided. To register your place, [click here](#) or call [0114 279 9091](#).
